9
10 It is the policy of the board of trustees to organize and maintain the distinction between those
11 activities that are appropriate to the board of trustees as the legislative governing body of the school
12 district and those administrative activities that are to be performed by the Superintendent of Schools
13 and the staff in the exercise of delegated administrative authority. The function of the board can be
14 described as policy making, appraisal, and evaluation.

15
16 The board of trustees shall have the further duty of directing the financial means by which the
17 educational program is conducted. They shall also ensure that the community be informed of the
18 needs, purposes, values, and status of the schools.
